

EAST-WEST COMMUNITY TRANSPORT AXIS DEVELOPMENT

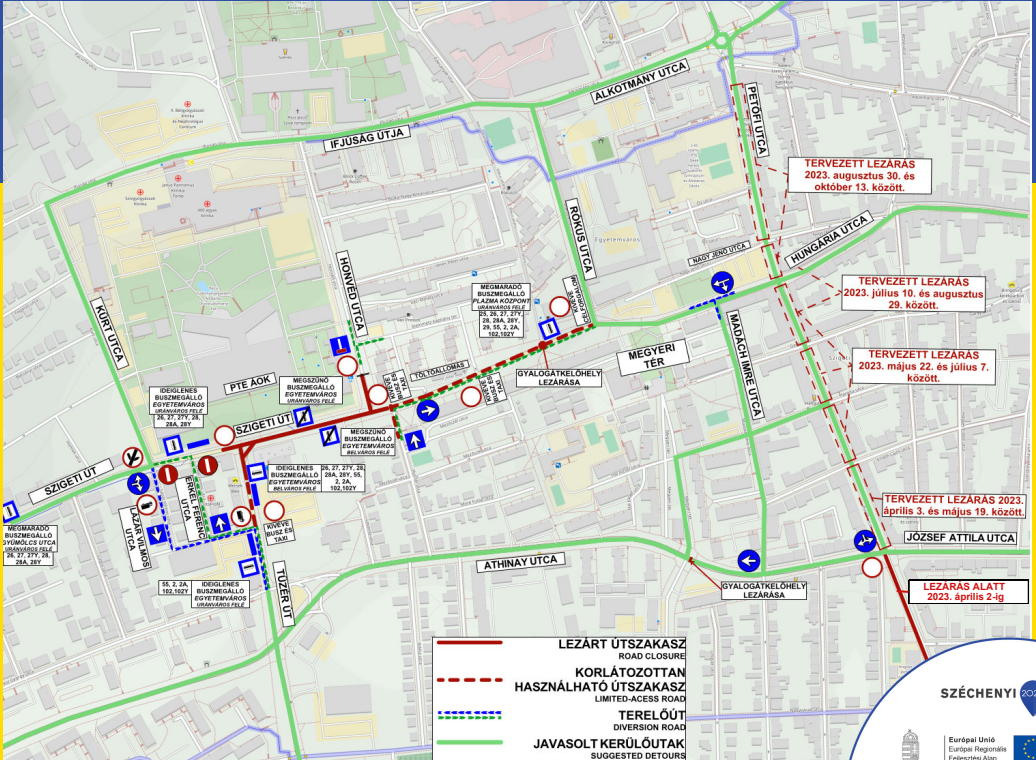

TOP-6.4.1-15-PC1-2016-00005 - Sustainable urban transport development - Development of an east-west public transport axis in Pécs

PUBLIC INFORMATION

More cycle paths to be developed in Pécs, Szigeti Street

The following traffic order will be in force during the works on the road section affected by the development:

Construction starts: 20 March 2023

SZÉCHENYI

MAĐARORSZÁG KORMÁNYA
Befektetés a jövőbe

Details:

Between 23 March 2023 and 20 June 2023

- Complete closure of Szigeti Street between Erkel Ferenc Street and Huszár Street (except for pedestrians, buses and taxis).
- From Rökus Street, onward travel is free except for destination traffic and for those using the service station.
- After the service station, only buses and taxis are allowed to travel westbound.
- Honvéd Street is a dead end from Váci Mihály Street.
- Huszár Street is one-way from number 31 northbound.
- Erkel Ferenc Street is one-way northbound and Lázár Vilmos Street is one-way southbound.
- On Szigeti Street, the pedestrian crossing at Rökus Promenade will be temporarily closed.
- Left turn from Hungária Street to Madách Imre Street is allowed. Parking is prohibited in Madách Imre Street.
- The crosswalk on the east side of Megyeri Square junction and road 6 is temporarily closed.
- Bus stops for buses 2, 2A, 55 and 102 Egyetemváros will be temporarily relocated to Tüzér Street.
- Temporary bus stops for buses 26, 27, 27Y, 28, 28A and 28Y in the direction of Uranváros will be established on Szigeti Street in front of Kürt Street.
- Buses 25, 26, 27, 27Y, 28, 28A, 28Y, 29 from Uranváros will reach Egyetemváros via road 6, so the temporary bus stops at Szántó Kovács János Street and Gyümölcs Street will be temporarily closed.
- Bicycles will not be allowed in the closed area. Cyclists are advised to take a detour or dismount their bikes on the north side of Szigeti Street.

Between 20 June and 20 September 2023

The above mentioned traffic order will change as follows:

- Buses no. 26, 27, 27Y, 28, 28A, 28Y in the direction of Uranváros will arrive at Uranváros terminus on road 6 after the temporary stop at Egyetemváros, the stops at Gyümölcs Street and Szántó Kovács János Street will be temporarily closed.

Please note,

that in parallel with the above-mentioned construction works, water utility network development is taking place in the city, which also entails closures and traffic restrictions!

Please check when planning your route:

www.pecs.hu/kehop-2-1-11-21-2022-00014
