BA in Romology (Roma Studies) /Specialization in Boyash language and culture / Specialization in Romani language and culture

The needs of Roma communities could be professionally and effectively represented by trained Romologists and the initiatives of the different organizations, institutions might be also represented through them among the local Roma communities in order to gain efficient communication to solve current issues. Collaborating with professionals from other fields - such as: sociologists, social politicians, teachers, lawyers, medical doctors, etc. - is essential for Romologists. In order to develop collaboration skills of our graduates, there are several courses during the program which are based on cooperative learning methods and group work. Field work and research methodology are in the core curriculum in order to prepare our graduates to work with real communities and other professionals after graduation. The two officially accepted languages spoken by Hungarian Roma are thought as well. Our graduates have the great chance to learn both of these languages: Boyash and Romani.

BA in Slavonic Studies (Russian Philology) Славянская филология (специальность: Русская филология)

Данная программа направлена на подготовку специалистов в области русского языка и литературы. Студенты научатся работать со сложноорганизованными текстами, относящимся к разным сферам культурной и социальной жизни. В программу включены курсы по языкознанию, истории и теории литературы, русской культуре и искусству, страноведению России. Уникальность данной программы состоит в том, что студентам также предлагается модуль по изучению делового русского языка и бизнес-коммуникации. Успешное прохождение этого модуля дает возможность выпускникам быть конкурентоспособными специалистами и за пределами научного филологического профиля. Данная программа обеспечивает качественно новый уровень подготовки студентов-филологов за счет соединения разнопрофильных дисциплин и их междисциплинарного взаимодействия.

MA in Human Resources Counseling

The purpose of this course is to educate and train professionals who are experts in providing help to organisations and companies regarding any area of human resources management, one of the functional areas of leadership counselling. Special attention will be paid to career-planning and counselling, and a major discipline is devoted to equal opportunity and the treatment of disadvantaged groups. According to the tradition of this faculty students will also deal with employment policy, adult education as well as the interdependence of education and the workforce market. From among the practical skills trained the abilities of counselling and conflict management should especially be pointed out. The curriculum also arranges for a compulsory professional field practice, where skills and knowledge acquired may be applied and deepened in practice.

PhD in International Politics

The aim of the doctoral program is to offer a wide variety of topics for the study of the actors, processes, intersections, and complexities of International Politics to those committed minds and talents who wish to foster research in any of the major relevant sub-fields in an interdisciplinary manner. The instructors and thesis supervisors of the program represent an extensive pool of expertise embracing Political Science, International Relations, International Law, Regional/Area Studies, therefore, provide substantial support to students both from methodological and theoretical perspectives. The interdisciplinary character of the program is strongly reinforced by the natural cooperation with other programs of the Doctoral School, including History, Ethnography, and Cultural Anthropology.

The program has been dynamically developing its circle of partnerships and collaborations both nationally and internationally. Doctoral students have the opportunity to join projects, take part in fieldwork, and participate in many exchange programs in different corners of the Globe. The host department also offers a wide range of scientific and intercultural events.
