Call for Papers

The Department of Romany Studies and Sociology of Education, the Wlislöcki Henrik Student College and the Romology Research Centre at University of Pécs sincerely invites you to take part at the

9th Romani Studies Conference International Online Conference

Date of the conference: 13. November 2020.

*The conference is organized as part of the
Horizons and Dialogues Conference Series*

Location: TEAMS - After evaluating the applications, we will notify the participants about the TEAMS groups of each program element.

The online Conference is mainly focusing on institutions what teach about Roma, Gypsy related topics and/or do research on Roma, Gypsy related topics. Central objective of the conference is providing such a platform where these institutions could introduce themselves, could meet and understand the work of each other and to deepen existing professional relations and to build new ones. Joint professional thinking is essential for the development of Romani Studies related research and for the development of Romani Studies related educational contents.

Beside the representatives of Romani Studies related institutions we invite educators, teachers, researchers, students and professionals who deals Roma related researches. Presentations about good practices or Roma related programs are also welcomed at the conference. Abstract reviewers will evaluate submissions based on the criteria listed below.

Abstracts (n: 1300-1500 characters; contained 3-5 key words)

in Hungarian and in English are welcomed as well. Main

disciplinary areas of the conference are:

- I. Social sciences**
- II. Linguistics**
- III. Educational Sociology**

Abstract Submission Deadline:

23th October 2020. 24:00
