

# HEALTH INFORMATION: CORONAVIRUS

There is an outbreak of pneumonia in China caused by a new type of coronavirus (2019-nCoV)

If you have been in China within the past 2 weeks or were in contact with such person and develop a fever, dry cough, or have difficulty breathing (dyspnoe), seek medical care right away.

Call a following telephone number before going to see a doctor:  
**+36 30 577 37 64**

Tell them your symptoms and that you were in China or were in contact with such person.

General advice:

Wash your hands and use standard hygienic and airborne precautions!

Be informed! Follow the situation updates at the WHO homepage (<https://www.who.int>).

**If You have symptoms**, You can find medical care at the:  
**Department of Emergency Medicine (SBO)**  
(PTE Janus Pannonius Klinikai Tömb)  
of the Clinical Centre of Univ Pécs  
**Pécs, Ifjúság útja 13.**
